

Dear Respected Parents/ Guardians,

Each term is a stepping stone to greater achievements; Let's celebrate progress and embrace new challenges

Every end marks a new beginning. As we close Term 2, we celebrate our achievements and look forward to greater success.

In this edition of our newsletter, we celebrate the milestones reached, recognize the outstanding efforts of our students and teachers, and share important updates as we look ahead to Term 3. We appreciate the unwavering support of our parents and guardians, whose partnership continues to make a difference in our students' educational experience.

EARLY YEARS

The Early Years pupils have made tremendous progress in their learning goals this term. Their learning experience has been largely hands-on, allowing them to explore, discover, and develop key foundational skills in an engaging and interactive way.

From sensory play to structured activities, our young learners have shown remarkable enthusiasm and curiosity. Their ability to grasp new concepts, improve their communication skills, and build social interactions has been truly impressive. Most importantly, their joy in learning has been evident in

their daily participation, eagerness to explore new ideas, and growing confidence in their abilities.

As we celebrate their achievements, we remain committed to nurturing their love for learning through play-based and experiential teaching methods, ensuring they continue to thrive academically and socially in the coming terms.

EXAMINATION CLASSES

Our Year 9 and Year 12 students have undergone rigorous extra sessions in preparation for their external examinations. With great dedication from both students and staff, they have actively participated in weekend classes, reinforcing their understanding of key subjects and examination techniques.

The JAMB preparatory classes have also been highly successful, equipping students with the necessary skills to excel in their forthcoming exams. The series of mock examinations conducted this term have played a crucial role in assessing their readiness and identifying areas for improvement.

As the Year 12 students embark on a short break, they should note that an online JAMB assessment will be conducted during the holiday to maintain their momentum. They are expected to resume on **April 7th** to continue with their intensive JAMB drilling classes. We appreciate the commitment and perseverance of our students and staff, and we remain confident that their hard work will yield outstanding results.

CULTURAL DAY

Our **2025 Cultural Day** was a resounding success, celebrating the rich and diverse heritage of our school community. It was a colorful and exciting event filled with music, dance, traditional attire, and cultural displays that showcased the beauty of our different backgrounds.

A heartfelt **thank you** to our parents for their **enormous support**, which played a vital role in making the event memorable. We also appreciate our **dedicated**

staff for their tireless efforts in organizing and guiding the students throughout the preparations. Most importantly, we commend our **students** for their **creativity and enthusiasm**, which brought the event to life.

This year's celebration reinforced the importance of cultural awareness, unity, and appreciation for our traditions. We look forward to an even more spectacular Cultural Day in the future!

ORPHANAGE VISIT

The **2025 Orphanage Visit** was a deeply impactful and heartwarming experience for our students. With the generous support of our parents, we were able to actualize this meaningful outreach, extending love, care, and essential supplies to the children at the orphanage.

The lessons learned from this visit were **immense**—our students gained a deeper sense of empathy, gratitude, and social responsibility. It was a reminder of the importance of kindness, generosity, and giving back to the community.

A special **thank you** to all donors who contributed to this noble

cause. **May the Lord bless and reward your generosity.** We look forward to continuing such initiatives that nurture compassion and selflessness in our students.

2025/2026 ADMISSIONS

We are delighted to announce the commencement of admissions for the 2025/2026 academic session across various classes, including Early Years, Primary, and Secondary levels. Your referrals have been invaluable to us, and we kindly request for your continued support in recommending our school to prospective students and parents.

Thank you always for your unwavering support and trust in our educational institution. We look forward to welcoming new students and families into our school community.

SCHOOL FEES

We kindly request that all school fees be paid before the resumption of term three holidays. This will allow us to provide the best possible experience for your children.
